

Training In Lieu of Experience (TILE)

Training In Lieu of Experience (TILE)

This course is designed to provide students with an introduction to road laws and legislation affecting heavy vehicle operators, and is a process which enables a person to progress from a Class C (Car) licence to a Heavy Combination (HC) learners permit.

ENTRY REQUIREMENTS

Students must have held their Class C (Car) licence for at least two years (Including P's) to be eligible. Must be at least 19 years of age and have a current and valid SA Car licence.

Applicants must be physically fit – should the applicant have any identified medical issues that may prevent them from driving this class of licence, an approval to gain a heavy vehicle licence from the Licencing Regulator is also required.

All applicants will undertake a short assessment to determine whether this is the best course for their needs, including language, literacy and numeracy skills. Where learning needs are identified, LITA Training may offer you additional support or refer you to a more suitable course.

COURSE HIGHLIGHTS

- Overview of Road Law
- Industry Terminology
- Gearbox Operations (18 speed)
- Introduction to Work Diaries
- Axle Weights
- Hitching and Unhitching

Upon successful completion of the TILE Course you will receive a certificate of completion that will enable you to obtain your HC Learners Permit from DPTI, This Learner's Permit is only valid for 12 months. We can then help you complete your transition to a HC Licence, by providing the necessary Training and Assessing required to government standards, where you will gain the necessary skills and knowledge to perform Heavy Combination (HC) operations.

For more information contact [LITA Training on info@lita.org.au](mailto:info@lita.org.au)

The student's tuition fees are as published and are subject to change given individual circumstances. This Unit is delivered by LITA Training RTO Number: 0577 which is responsible for the quality of all services and the issuing of AQF certification documentation (for all certificates) and the issuing of a Statement of Attainment (for all skill sets/stand-alone UoC). This Unit provides the skills and knowledge to the industry standard. We actively tailor training for people from diverse backgrounds, including those with disabilities, and encourage all to apply.

WHY LEARN WITH US

01

INDUSTRY RELEVANT

Your industry shapes the courses we deliver. Our training programs have been developed with your people and their specific industry challenges in mind.

02

EXPERT TRAINERS AND ASSESSORS

Our staff have current on-the-job experience, bringing this into the training program to offer real industry training based on current industry trends.

03

EXPERIENCED SUPPORT TEAM

We offer in-house support and have also teamed up with external experts to ensure that you are fully supported to succeed.
