

TLI31216 Certificate III in Driving Operations (Trainee)
(Expiring 20 November 2022 with TLI31221 Certificate III
in Driving Operations)

Further Your Skills in the Driving Industry

The Certificate III in Driving Operations is a qualification aimed at those desiring an ongoing career in the Transport and Logistics Industry. Existing employees will formalise their skills and knowledge through a traineeship arrangement, to progress their career within the industry. As part of the course, trainees will upgrade their current licence from a car licence to a heavy vehicle licence or from a current heavy vehicle licence to a higher-class heavy vehicle.

ENTRY REQUIREMENTS

Applicants will need to be employed in the Transport and Logistics Industry for at least one month and are interested in a Traineeship arrangement. Applicants will need to be physically fit due to the nature of the work. Applicants will need to hold a Class "C" licence for a minimum of 12 months prior to commencement to meet the requirements for heavy vehicle upgrade. All applicants will undertake a short assessment to determine whether this is the best course for their needs, including language, literacy and numeracy skills. Where learning needs are identified, LITA Training may offer you additional support or refer you to a more suitable course.

COURSE HIGHLIGHTS

- Earn while you learn
- Gain industry skills and knowledge
